

Gifted Services Screening for K-5 WJCC Students

The Williamsburg-James City County Program for Gifted Students provides services for formally identified gifted students in grades K-12. Screening for students will be offered this spring. Referrals can be made by a parent, teacher, other staff member, or self. Referred students will be screened for eligibility for general enrichment services. If you are interested in learning more about this program, would like to discuss your child and the assessment process, or would like to receive a referral form, please contact Stacy Freeman, Clara Byrd Baker Gifted Resource Teacher. She can be reached by email at stacy.freeman@wjccschools.org. All referral requests must be made in writing.

All referral forms are due by February 15, 2019.
