

Enrichment Programs Offered by the Center for Gifted Education College of William & Mary

Winter Super Saturday | Jan. 19, 2019 | [Registration OPEN](#)

Join us for a full day of enrichment! We will be offering Engineering (not just for girls!) for grades 3-5, My Amazing Body! For grades K-2 and Science Mysteries for grades 2-3.

Early Bird pricing: \$125 (ends after Dec. 13, 2018)

After deadline: \$130

Cost includes all materials and boxed lunch

Focusing on the Future | Feb. 2, 2019 | [Registration OPEN](#)

Focusing on the Future (FOF) exposes high-ability learners to career opportunities related to the arts, humanities, mathematics, and sciences. The program also informs parents of considerations and guidelines for effective career and academic planning.

The experience includes large and small group sessions for students and parents. Following an opening session, students in grades 6–8 attend four workshop sessions, each session offering six different topics. Parallel sessions are held for students in grades 9–12, parents, and counselors. Other activities include a lunchtime panel discussion with William & Mary students and an opportunity for a campus tour

Spring Saturday Enrichment Program (SEP) | Feb. 23 - March 23, 2019 | [Registration OPEN](#)

Join us for five Saturdays this spring for our half-day SEP programs! Check out the Registration packet for more information and class descriptions. The deadline to register is **February 1, 2019**.
