Join Jamestown High School PTSA!

Welcome to Jamestown!

Here you will find engaged leaders, dedicated teachers, helpful staff and a PTSA ready to make a difference!

Will you join us?

The PTSA provides programs like Reflections, Parent Empowerment Programs, SAT/ACT practice testing, and Mini Grants that benefit teachers and students at JHS. As members, we volunteer at the Homecoming Dance, provide hospitality events for our teachers including mailbox treats and Teacher Appreciation Week events and so much more. Being a member also means we are able to advocate for our students and to make a difference. When we join together, great things happen. We welcome and need your help!

It's easy to join: Simply fill out the form below and return it to your student's first block teacher or the main office. Please make checks payable to JHS PTSA.

We know this year is different, but let's make it great together!
