Celebrate the Child (not the cupcake)!

Want to celebrate a birthday?*

- Donate a book in your child's name to the class or library
- Give a treat bag to each student with school supplies, stickers, or a small book
- Provide art supplies for a special project on your child's special day
- Donate a plant for the school garden
- Provide bubbles, balls or outdoor play equipment
- Plan a dance party
- Arrange a healthy cooking & tasting party

*Always check with the teacher first!

Include physical activity in your celebrations: walk, dance, go outside, do a scavenger hunt or obstacle course, have extra recess. Active play every day!

Make Your Own Trail Mix Activity: RS/WG cereal, LS pretzels, baked snacks, some dried fruit, a little bit of nuts and seeds, and a tiny bit of chocolate. This is a good activity for teaching portion sizes.

Pre-packaged, single serve foods are best for convenience, sanitation, and food allergens.

Concessions: Baked potato bar, chili bar, sub sandwiches, cheese or veggie pizza, popcorn, soft pretzels w/ mustard, LF milk & water.
