

Roadrunner Readers Birthday Book Celebration

The WJCC Wellness Policy no longer allows the traditional birthday cupcakes or sweet treats families have generally used to celebrate a child's birthday. Here is an **optional** way to keep the party going with a good book for the classroom or school library ☺

Here is how it works:

- 🎈 **Contact the teacher prior to the student's birthday to set up a time to either bring or send a book to the class for your child's birthday.**
- 🎈 **Perhaps you or someone special to the child can read the book (if it is a picture book) to the class with the teacher's permission.**
- 🎈 **The teacher will present the student with a bookplate to place in the inside cover of the book, celebrating the student and the gift to the classroom.**
