PHOTOGRAPHY

Make your year count!

Candid Color Photography is your school's official senior portrait photographer. We are gearing up to provide great senior portraits with multiple camera setups at your school. **Please review the enclosed information for important senior portrait dates, times, preparation tips, and more...**

Candid Color offers various sitting options that fit your family's needs. We offer the yearbook portrait in tuxedo or drape attire, casual portraits using multiple backgrounds, and outdoor environmental portraits at your school.

Select the sitting that gives you all the poses, backgrounds, and outfits you want. **Your sitting fee is due at the time of scheduling your appointment**. Your sitting fee does not include finished portraits. Seniors will receive a selection of watermarked 4x5 color proofs and an online gallery to preview the images. The proofs are yours to keep!

Candid Color offers various packages and print sizes where you can enlarge one or multiple proof(s) into vibrant, finished portraits. We also offer specialty products online such as collages, graduation announcements, and more.

Appointment Times

Sign up for pictures using our Pickatime appointment system. **Appointments are required.** Select your sitting option, your appointment day / time, and fill out your information. Ensure accuracy to minimize delays and errors. You will receive an email confirmation and a reminder about your appointment one day prior to your time.

Arrive 5 to 10 minutes before your appointment to check-in with our staff. Arrive in an outfit that you plan to wear in your photographs so you can then start pictures after checking in.

Your portrait session time will vary based on your selected sitting option. Please allow approximately one hour for your appointment so we can capture the best poses showcasing your personality and interests for you to remember for a lifetime.

Unable to make your scheduled time? No problem! Contact our customer service team for assistance. **We highly recommend attending your first session.**

Yearbook Pose • Casuals

Our senior tuxedo and drape portraits are the best available. No one comes close to our quality, value, style, and up-to-date look. We use real tuxedos and velvet drapes for an authentic style and look. Ladies, we offer the traditional yearbook pose and your over-the-shoulder soft focus per request. ***Candid Color provides tuxedo jackets, tuxedo shirts, and drapes for your yearbook pose.*** Please bring a camisole or tanktop (no racerbacks) to wear under your drape, or bring a white t-shirt to wear under your tuxedo shirt.

We offer a wide variety of indoor and environmental casual portraits, with everything from an educated, collegiate look to a portrait of you and your best friend. Bring multiple outfits and props based on selected sitting option that define your style (i.e. jackets, uniforms, sporting equipment, instruments, etc..). Group photos with family and friends are welcome. Environmental photos are taken outside (weather permitting) on school grounds and is a perfect option for a pose with your car.

Let our photographers know if you have a specific pose in mind, and we can make it happen!

Yearbook background color & environmental locations vary by school and are subject to availability. Sample photos are representative of various portrait sessions. Pets are prohibited inside the picture location, but they are allowed for the outside environmental photo in Deluxe sittings. Please confirm with your school if you are permitted to bring a specific item on school property for your portraits. Family poses available only at summer sessions.

Prepare for your appointment...

Your selected sitting option will help you plan extra items to bring to your appointment. A little planning goes a long way to provide lifetime memories...

- **Bring your favorite outfits** like casual clothes, formal attire, dresses, jerseys, uniforms, etc.. Solid colors photograph the best. Make sure they are wrinkle-free! Choose accessories that match your outfits. Remember, your outfits should be something you are comfortable wearing on a regular basis.
- **Bring props and accessories** such as clothing accessories, art supplies, musical instruments, sports equipment (soccer balls, baseball bats, field hockey sticks, lacrosse sticks) and more...
- **Bring your friends and family** to be a part of your portraits and to help with outfits and make-up (summer sessions only).
- **Do your hair and makeup at home** but bring cosmetics and a brush or comb to your portrait session for any touch-ups.
- **Get a good night's rest** before your appointment day so you are refreshed.
- **Haircuts** - Allow one week to grow before your appointment.
- **Avoid excessive sun exposure** that may darken your skin unnaturally, create tan lines, and make you appear shiny.

Sitting options to select...

Select your sitting based on the number of poses you wish to view and order finished prints. Each option includes a sampling of watermarked 4x5 proofs mailed to your home address. **These are NOT finished portraits. Your sitting fee is due at the time of creating your appointment**.
