Karen Scott Assistant Principal

May 3, 2017

Dear Pride Families,

Four years ago, I chose to join the Warhill High School family because I love the variety of activities that occur at this school level, and I love witnessing the growth that our students achieve on their way to graduation. Thus, it is with a mixture of excitement and sadness that I am sending you this email to announce that last night the School Board appointed me as an Assistant Superintendent of School Leadership for WJCC Public Schools.

During my six years in Williamsburg, I have come to love our community, and serving as Assistant Superintendent in a location I love was simply a fantastic opportunity for my sons and me. I will assume my new duties on June 19, 2017, and I will work closely with the division superintendent to ensure a smooth leadership transition at Warhill High School. Until then, please be assured that I will work to ensure a successful end of the 2017-18 school year for Warhill High School.

Thank you for the support you provided me as principal, and I look forward to supporting Warhill and other division schools in my new role.

Sincerely,

Jeffrey D. Carroll, Ph.D.
Principal
