PARKING INFORMATION

Regulations:

- Students are expected to arrive with ample time to get to their first period class by the 7:20 am bell. A student driver who is chronically tardy to school may forfeit their privilege to park on school property. Students are not permitted to loiter in the parking lot and vehicles must be vacated and locked upon arrival. In order to protect personal property, students are not authorized to access the parking lot during the school day. This is a responsibility that applicants accept as a condition for the parking privilege on school property.
- Students arriving after 7:20 must report to the attendance office for a pass to class.
- Parking in non-permitted areas, including the teachers' parking lot, may result in towing fees and forfeiture of parking privileges. The owner/operator of the vehicle assumes all responsibility for towing and storage fees, including warrants issued for illegal driving or parking violations.
- Students who fail to adhere to the terms of the parking agreement will lose all on-campus parking privileges. Parking passes must be visible at all times and not transferred to non-registered vehicles.

Special Notes:

- County Police routinely patrol the school area. Vehicles are subject to verification of compliance with county and state laws (i.e. county stickers, tags, inspections, etc.) Be sure that your vehicle is in compliance with state/county/city laws.
- In case of an accident in the parking lot or on school grounds, students are expected to exchange insurance and license information. Police will be summoned to the scene in accordance with state laws.
- Additional expectations apply to students and their vehicles as outlined in the Student Code of Conduct.
