September 5, 2018

Dear Parent(s)/Guardian(s):

In the event of a radiological emergency at Surry Nuclear Power Plant requiring the evacuation of schools within the 10-mile zone of the power plant, the following actions will be taken to ensure the safety of students and staff.

At the order of James City County and the Williamsburg Emergency Services Directors, the School Division will evacuate students as follows:

Students and Staff at: (Sending School)	Transported to: (Receiving School)	Transport to: (Evacuation Assembly Center) EAC
Clara Byrd Baker Elementary	D.J. Montague Elementary	Charles City High School
D.J. Montague Elementary remains at D.J.M.		Charles City High School
James River Elementary	Toano Middle School	Charles City High School
Matthew Whaley Elementary	Norge Elementary	New Kent High School
Norge Elementary remains at Norge		Charles City High School
Laurel Lane Elementary	Stonehouse Elementary	Charles City High School
Stonehouse Elementary remains at Stonehouse		Charles City High School
Berkeley Middle School	L.S. Hornsby Middle	New Kent High School
James Blair/Central Office	Warhill High School	New Kent High School
Toano Middle School remains at Toano		Charles City High School
Jamestown High School	Lafayette High School	Charles City High School
Lafayette High School remains at Lafayette		Charles City High School
Warhill High School remains at Warhill		Charles City High School
Matoaka Elementary School	J.B. Blayton School	Charles City High School
J.B. Blayton Elementary remains at Blayton		Charles City High School
L.S. Hornsby Middle remains at Hornsby		Charles City High School

This plan is closely coordinated with the City and County Emergency Services Directors.

Students from schools being evacuated **will not** be released to their parent(s)/guardian(s) until they arrive at one of the eight receiving schools.

Students who attend D. J. Montague, Toano, L.S. Hornsby, J.B. Blayton, Stonehouse, Norge, Warhill and Lafayette and live outside the 10-mile zone will be bused home once the evacuation is complete. Students who attend one of these eight schools and live within the 10-mile zone, will need to be picked up by a parent or guardian.

Students who are not picked up by their parent(s)/guardian(s) at the receiving school will be sheltered at the appropriate EAC.

Thank you for your assistance and support.

Sincerely,

*Brian Weaver*  
Supervisor for Security and Building Services
