I. Honors Seal Academic Requirements:

In addition to meeting the requirements of the Advanced Studies Diploma, candidates for the Honors Seal Recognition must:

- Complete a minimum of five Advanced Placement (AP) courses, in three different content areas, with a grade of C or better.
- Take the AP course examinations
- Complete a four-course sequence in one global language
- Design and complete a Community Service Project of at least 25 hours
- Design and complete an in-depth Honors Project

II. Presentation of the Honors Project:

Participants in the Honors Program submit proposals on-line and meet with the Division Honors Committee comprised of representatives from each high school and the Central Office. After receiving approval from the committee, students work with the school's Honors Program Committee Chair and with a mentor to successfully fulfill the requirements of the program. Students return to the committee to report on the completed Community Service Project. Honors Projects are presented to a panel of professionals for approval.

Students may enter the Honors Program as early as the freshman year. Projects may be completed at any time, but the Community Service Project ideally should be completed by the beginning of the senior year. **The Honors Project must be approved by the committee by the February deadline of the candidate's junior year and completed by the end of the third quarter of the senior year.**

By signing below you are stating that you have read the Guidelines for the Honors Project, Community Service Project and academic requirements in order to receive the Honors Seal. This signed agreement must be turned into the school's Honors Committee chair prior to final approval of the Honors Project proposal.
