

2016-17 SOL Performance by Subgroup

Region 2 Comparison

There are four neighboring school divisions in Region 2 with which we compare student achievement – Hampton, Newport News, Poquoson and York. Within these four school divisions, all data points (including total number of schools, student enrollment, percentage of students with disabilities, percentage of students who are economically disadvantaged, percentage of students with limited English; and operating budget) are not comparable. As a result, the basis for our Region 2 comparison is strictly geographic.
