

2018-19 SOL Performance by Subgroup

Like School Division Comparison

*Does not include Pre-K • TS = Too small

Five school divisions in the state share demographics that are similar enough to compare student achievement. The comparison data points are: total number of schools; fall membership; percentage of students with disabilities; percentage of students who are economically disadvantaged; percentage of students with limited English proficiency, and operating budget.

Key

Augusta	Bedford	Fauquier
