

WJCC Elementary Learning Plan #2 March 30-April 3

Dear WJCC Families,

We are facing significant challenges throughout our nation due to the COVID-19 pandemic. As a result, WJCC Schools will be closed for the remainder of the academic year per the direction of Governor Northam. The Virginia Department of Education will provide guidance on continued teaching and learning over the next few days.

The resources in this packet will help your child continue to practice important skills and review content from March 30-April 3. **This work is not required, and it will not be graded.**

We will provide information for long-term learning plans to address instruction after Spring Break (April 6-10). We hope everyone remains safe and healthy.

Sincerely,
WJCC Staff

In addition to the [online resources](#) from the previous learning packets, the following sites provide high quality recordings of celebrities reading books. More online resources will be shared in the coming weeks.

Resource Name	Access	Highlights
Storytime from Space	https://storytimefromspace.com/library/	Real astronauts in the international space station reading science themed stories from space. Stories are available in a variety of languages.
Kidlit TV	https://kidlit.tv/category/read-out-loud/	Authors read their own stories. This site is easy to navigate
International Digital Children's Library	http://www.childrenslibrary.org/icdl/SimpleSearchCategory?ilang=English	Provides over 400 books in English to read on screen. Many other languages are also available. It does not appear to support read aloud.
Storyline Online	https://www.storylineonline.net/	15 stories read by members of the Screen Actors Guild. High quality production and no ads
